## Experience

### The Bulmer Brick and Tile Company

September 2021- October 2021

I carried out part-time work for this historic brick yard organising pricing lists and consequently learned about the intricacies of making and using bricks.

### David Blaikie Architects, Edinburgh

August 2018 - July 2019

[www.davidblaikiearchitects.com](http://www.davidblaikiearchitects.com)

Based in Stockbridge, this practice specialises in contemporary extensions to listed buildings within the New Town area of Edinburgh. During my placement I supported several projects, helping to progress them through planning, detailed design, building regulations, tender and construction stages.

### RM\_A, London

March 2017 - September 2017

[rmaarchitects.co.uk](http://rmaarchitects.co.uk)

RM\_A's focus is mainly, residential-led, mixed use schemes in London. During my time at the practice I supported several projects, producing plans, sections, details and schedules for planning, tender and construction stages.

### MPN + Partners, Vietnam

February 2016 - August 2016

[mpnandpartners.com](http://mpnandpartners.com)

This practice focuses on large, high budget resorts and luxury accommodation within Vietnam. I was involved in a wide variety of project tasks, including concept stage, model making, 3D visualisation, masterplanning, consultant meetings and client presentations. My initial contract for 3 months was extended to 6 months.

### Marcliffe Hotel, Waiting Staff

September 2013 – September 2014

## Extracurricular

### Member of TU Delft's Solar Decathlon Team

November 2019 - October 2020

[www.delftsolardecathlon.com](http://www.delftsolardecathlon.com)

Solar Decathlon Europe is a university-level student competition that challenges teams to design and build highly efficient and innovative dwellings powered by renewable energy. My role focused on how new sustainable technologies and practices could be implemented on a building scale as well as the urban scale.
